special to the Indianapolis Journal. MINNEAPOLIS, Minn., Aug. 20.-The Millers performed like bush leaguers to- PITTSBURG MADE A PRESENT OF day and the Hoosiers won without an effort, the score being 9 to 1. Three errors followed up with a pair of singles, gave Catkins's men three tallies in the first and they were never headed. The Millers' only tally was scored in the same inning, when Oyler walked and came home on McIntyre's double. From this stage of the proceedings on it was all Indianapolis.

Otto Newlin, discarded by the Minneapolis management last spring, did the pitching for the visitors and demonstrated that he had enough curves to beat the Minneapolis team at least. He allowed but six hits and in only one inning did the Millers get the ball to safe territory more than once. This was in the third round, when two locals hit the ball out for a base each. In the fifth, sixth, seventh and eighth inings the Yeagerites went out in one, two three order, and after the first inning only one local got beyond second. McDonald, on the other hand, was batted at a lively clip | Cincinnati102 and nearly all the drives came at oppor- Brooklyn163

The batting of Kihm and Woodruff was the most effective. The four hits pounded out by these two players brought good re-sults. Fox also slugged the ball, but only in one instance did his hitting bring in ies for his team.

The Hoesiers played horse with their oponents for a greater part of the time. They k all kinds of liberties with the locals, and merely to put a little life into the perormance Hogriever tried to steal home in the eighth inning. Hoggie misjudged the ner's delivery, however, and was caught tween the bases after considerable sidetepping and dodging. Every Hoosier played he game in the field and Newlin was acorded the best kind of support. Sullivan bruised a finger while trying to

Barney Oldfield Fails to Set a New Mark at Kokomo. Special to the Indianapolis Journal.

KOKOMO, Ind., Aug. 20 .- A crowd estimated at 5,000 witnessed the big automobile races here to-day, it being the greatest attendance ever seen at the driving park. No world's records for speed were broken, but the time was fast and the sport exciting. Owing to the illness of nauer and Hickman; McCormick, Moran Tom Cooper, his machine, "999," was driven by Harry Cunningham, a local chauffeur. bases—Cleveland, 6; Washington, 7. Oldfield went the two halves in 1:19. In the three-mile drive for amateurs the winners were Apperson, Barnes and McClain. They drove Haynes-Apperson and Apperson Bros.' machines made in Kokomo. The best time in the four three-mile events was 5:174. The meet was a great success financially and otherwise. Oldfield left to-night for New York to drive a Winton machine horse-power stronger than the "Red Devil." The speed of the Kokomo made machines was a revelation to the public, as they were not built for fast work.

ENGLISHMAN DOES GREAT GOLFING WITH GUTTA PERCHA BALL.

Wins Two Silver Cups-Visitors Leave Chicago for the East-Miss Anthony Still Winning.

CHICAGO, Ill., Aug. 20 .- J. A. T. Bramston, premier gutta percha ball golfer of the Oxford-Cambridge golf team, celebrated the last day of the Englishmen's Western trip at the Homewood Country Club's links by winning two silver curs and breaking all competition and practice records of the course. He captured the trophies in the first medal score event in which the Britons have played since their arrival, with a total of seventy-five strokes, two strokes lower than the second cup winning score of his Oxonian team mate, H. W. Beveridge, who made seventy-seven. Several Chicago golfers who played in the competition made good scores, but had little chance with the best of the Britons. None of the latter ever saw the Homewood course until to-

day, and they had to be coached to keep them from overplaying some holes. Bramston's record was wonderful because it was made with the hard ball. All the other players used the rubber-cored ball. A. J. Christie, the local professional, held the record-78, and Louis N. James and G. F. Clingman tied this season with 77 for the amateur record. Bramston's card, seven under bogey, follows:

Out 4 6 4 4 3 5 3 5 3-5 In 4 5 4 4 3 4 6 4 4-38 After a topped drive for his start, Bev-eridge made the first hole in bogey, 4, went out in 37 and ruined his chances for the totaling two strokes more than Bramston. Leathart, after making 39 for the first nine, took 41 to come in, and H. G. B. Ellis, playing with R. F. Mundy, turned in a 79. Hanson, Alison and Day were bothered by the sun and made 84, 84, and 88, respectively. Norman Hunter played steadily, but was unable to run first nine and 46 coming home. This total of 78 gave him third honors. Mansfield Hunter turned the course in two 40's R. F. Munoy, who twice played against the Englishmen at match play; made a # and a 31-72, which was the best of the Americans' sceres. G. F. Clingman totaled

> Bramston's Home Club at Winchester, Eng., will have the custody of the \$300 main cup for one year, when it will be returned for annual competition at Homewood. The other cup is the Briton's personal property. It is not likely that any golfer will attempt to equal Bramston's record with a guttapercha ball and the mark will stand inde finitely. A large crowd was out, but many of the invited American golfers did not appear and the day's sport took on the nature of an informal event. Captain Low and all of his team left early in the evening for their eastern itinerary fully satisfied that the Glenview course was the best western links they had played upon. Miss Bessie Anthony and Miss Frances Everitt played the principal match in the second round of match play for the Onwentsia cup to-day, Miss Anthony winning 3 up. 2. Other Matches Are Not Noteworthy. NEWPORT, R. I., Aug. 20 .- But little interest centered in to-day's matches in the national tennis championship tournament, the match between H. L. Doherty and Richard Stevens alone being noteworthy. Doherty won, 6-4, 6-2, 6-2. A good match was anticipated between L. H. Waidner and R. C. Seaver, but this was prevented by the former's departure, the match going to Seaver by default and giving that player a possible chance to meet one of the Dohertys in the semi-finals. R. F. Dohcrty, Ward and Clothier devoted the day to rest. Conjectures are being made as to the probable make-up of the team which is expected to go to England next year and battle for the Davis international tennis trophy. Efforts are to be made to have D. F. Davis and M. D. Whitman return to the game and accompany W. A. Larned and H. Ward to England next June in an attempt to regain possession of the cup, which they successfully defended at Brooklyn last
